"We're excited to partner with Audio Enhancement to bring classroom audio and safety solutions to every school in our district!"  
#AudioEnhancement #SAFESchools #ConnectedLearning

"Every voice matters. With Audio Enhancement, every student can be heard!"  
#AudioEnhancement #SAFESchools #ConnectedLearning

**Download your Innovation Ribbon**

Display your official Audio Enhancement Innovation Ribbon on your website, in your email signatures, or on district materials to show your community that your schools are leading the way in communication, safety, and learning.

Download Here

It will open into a separate browser window. Right click the image and click *Save As*. Save to your computer.

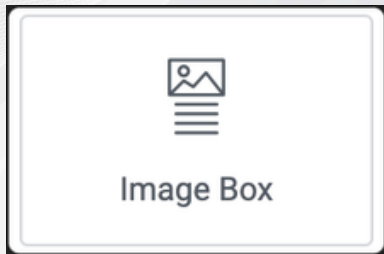

Open your website and log in to the backend where you edit the site.
